

# *The first ever Barron Park Green Tour*

Sunday, June 22  
1 to 5 p.m.

*Free*

*Romie and Mark Georgia home is one of 13 houses on the Green Tour.*

- Sponsored by the Barron Park Association
- Featuring 13 houses with solar panels, passive solar design, organic gardens, drought tolerant landscaping, right in our neighborhood
- Pick up a map and guide at Bol Park on Laguna Avenue
- Solar vendors and representatives from the City of Palo Alto Utilities Department, Santa Clara Valley Water District, Acterra, Common Ground and others will be at the staging area at Bol Park to answer your questions on how to be more green!

The Green Tour planning team and 13 homeowners have been working for months to make this a success. We know you'll learn a lot and enjoy this fun community event.

Planning Team: David Coale, Romie and Mark Georgia, Gale Henshel, Lynn Melena, Tom Wagner and Jean Wren.
